

THE
COMMUNITY SCHOOL

8TH ANNUAL SOUTHERN SOIREE & AUCTION

February 9, 2019 | Smoke Rise Country Club | Stone Mountain, GA

The Southern Soiree & Auction is our annual fundraising event to support our program. We help autistic adolescents and young adults to complete high school, attend college, find employment and independence, all while building meaningful relationships. The event includes a cash bar, buffet-style dinner, music, and an auction. Sponsoring the Soiree allows your business to reach 200 – 250 people at the event itself and an additional 400 – 500 people through promotion in our newsletters, website, and on social media. Our support is critical and enables us to continue our work; we will share our gratitude for your organization to our community. We are happy to customize a package that suits your needs.
